Voting for the election of School District Trustees, including those in charter districts, shall take place on the third Tuesday in May.

Posting of the notice of election is required ten (10) or more days before the date of the election, and shall be posted on two or more public buildings in the district, one of which may be the school district offices.

The first published notice shall occur not less than twelve (12) days before the election. The second published notice shall be not less than five (5) days before the election.

For each trustee district, the nominee with the greatest number of votes cast within the zone shall be declared the winner.

In the event of a tie between two or more persons within any trustee zone, the board of trustees shall determine the winner of the election by a toss of the coin at a properly noticed regular meeting or special meeting of the board of trustees.
