

**STAFF AND PERSONNEL
SERIES 400**

402.3

TITLE: SALARY SCHEDULE

The compensation paid to the employees of a school district shall be determined by the Board of Trustees. In arriving at salary and wage levels, the board should be guided by the recommendation of the superintendent of schools and his staff.

The compensation rate established for the different classes of personnel should reflect the level of assigned responsibility.

Adopted: March 10, 1980
Revised: January 13, 2003
