

**EDUCATIONAL PROGRAM
SERIES 600**

602.9

TITLE: AMERICAN DISABILITIES ACT, 504

The Wilder School District, as a member of COSSA (Canyon Owyhee School Service Agency), recognizes the need to provide a free appropriate public education to all handicapped students regardless of whether or not they qualify for special education services under the Idaho State guidelines for Individuals with Disabilities Education Act (IDEA). The District, as a member of COSSA (Canyon Owyhee School Service Agency), follow procedures as approved by the COSSA Board of Trustees that will be used to determine whether a student has a physical or mental impairment which substantially limits one or more major life activities and will provide accommodations to assist the students found eligible so they can be successful in their educational programs.

Adopted: APRIL 8, 1993
Revised: July 13, 2009
