## **Our Vision**

*Students will graduate confident and prepared for post-secondary pursuits and responsible citizenship.*

## **Our Mission**

*We are a District that expects student and adult success and we provide the motivation and tools to accomplish this.*

## **Our Goals**

*Our students are college and career ready for their post-secondary choice.*

*Students will exit each grade level prepared for the next.*

*Each school has systems in place for instructional support for students.*

*Students' learning excels through rigor, relevance and relationships.*

*Students demonstrate trust for their teachers as an essential foundation for their learning success.*

*Our schools are child-centered communities that promote healthy behaviors and responsible citizenship.*

*Schools, parents and the community work together to enrich educational experiences for our children.*

Wilder Food Service is dedicated to the mission of improving the health of the District's children by promoting a healthy school environment. To help meet this goal, we endeavor to serve tasty, appealing and nutritious breakfast and lunch meals to our students. We strive to continually improve the quality of the foods served to the students at mealtimes and fresh fruit and veggie snacks are served to elementary students through the Fresh Fruit and Veggie Program several times each week.

We have implemented calorie and sodium reductions as required by USDA standards, cooking and serving recipes made according to those new guidelines. We encourage our students to come to Mercer Hall cafeteria for a new and enjoyable year getting re-acquainted with our kitchen staff. See you all there!

Wilder Food Service está dedicado a la misión de mejorar la salud de los niños del Distrito mediante la promoción de un ambiente escolar saludable. Para ayudar a alcanzar este objetivo, nos esforzamos por servir sabrosos, atractivos y nutritivos comidas de desayuno y almuerzo a nuestros estudiantes. Nos esforzamos por mejorar continuamente la calidad de los alimentos que se sirven a los estudiantes en las comidas y se ofrecen refrigerios y frutas frescas a los estudiantes de primaria a través del Programa de Frutas y Vegetales varias veces cada semana. Hemos implementado reducciones de calorías y sodio como lo requieren los estándares del USDA, cocinando y sirviendo recetas hechas de acuerdo con esas nuevas pautas. Animamos a nuestros estudiantes a venir a la cafetería de Mercer Hall para un año nuevo y agradable para volver a familiarizarse con nuestro personal de cocina. ¡Nos vemos todos allí!
