STAFF & GUESTS PRESENT

CALL TO ORDER

Chairperson Patricia Clagg called the meeting to order at 6:00 p.m.

NEW BUSINESS

Mr. Dillon presented the administrator's contracts for approval. Christy Tayler moved to approve the administrator's contracts as presented. Jeb Bechtel seconded and the motion carried.

Mr. Dillon discussed the proposal to have Southwest District Health Dept. have an In-School Clinic in the Middle High School building once a month. Discussion was held. It was determined that Mr. Dillon will talk to SWDH to see about having part of a day once a month blocked off specifically for students to make appointments. They would stay in the Batt house but the Board felt they should make a commitment to the District for this time, as they are using the building at no cost to them.

ADJOURN

Chairperson Patricia Clagg adjourned the meeting at 6:50 p.m.

Respectfully Submitted,
Susan Lincoln
District Clerk
