

Federal Programs Coordinator Math and Science Mentor/Coach Agreement

This agreement between the Wilder School District and Tom Farley to provide the following consulting services to the Wilder School District:

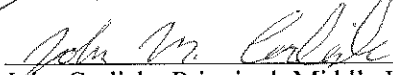

- Mr. Farley will consult and work the equivalent of 10-12 hours a week (not to exceed 400 total hours during the timeline in this agreement).
- Mr. Farley will consult and coordinate all federal program budgets, activities, timelines, etc., completing, monitoring, and reporting information of the "Consolidated Federal and State Grant Application" (CFSGA).
- Mr. Farley will consult and coordinate with both building principals Tier I instructional programs and supplemental offerings through Tier II and III. (Maintain Profiles)
- Mr. Farley will consult and coordinate with principals to develop and implement the "Schoolwide Plans".
- Mr. Farley will consult and coordinate with the superintendent in developing and implementing the "District Improvement Plan".
- Mr. Farley will consult and provide staff development opportunities pertaining to the teaching fields of math and/or science for K-12 teachers.
- Mr. Farley will consult and help in maintaining an alignment of math and science objectives and courses with state standards districtwide.
- Mr. Farley will consult and advise the school's staff, students, school board, and/or parents about math and science strategies and issues. These would include areas reflected by the SBAC, QME, STAR, and other district math/science assessment scores.
- Mr. Farley will consult and serve as math and science mentor to K-12 staff and demonstrate best practices with instructional delivery techniques, resource materials and instructional examples, acquisition, and assessment analysis.
- Mr. Farley will consult and provide feedback to the K-12 staff and district's administration as to activities as an instructional mentor, observations as to the success or lack of success in the implementation of programmatic and curricular changes in the classroom and the instructor's general effectiveness in student instruction.
- Mr. Farley will consult and participate in various district activities as needed per building principal or superintendent request.
- Mr. Farley will consult and document his time with the district and provide monthly summaries of his activities.

In return for these consulting services, the Wilder School District will pay Mr. Farley the amount of \$50.00 per hour beginning in July 1, 2018 through June, 2019. A monthly invoice will be submitted describing hours worked, consulting activities, and total remuneration requested.
